SUBJECT: Procurement of Sleeping Bags - Contract SP-1914

In previous discussions with you I have mentioned a requirement existing within the F.O.G. for sleeping bags as part of the survival kit.

A source for such bags has now been located by []
[] in conjunction with the contractor and SAC. Since the
price of these articles exceeds the authorization presently
granted [] it is requested that you authorize the
contractor, in writing, to furnish twenty-six (26) sleeping
bags of a kind and quality agreed upon among [] SAC,
and the contractor. All costs incurred should be charged to
